## Beautiful Features, Outstanding Value

Our Bungalow models set a high standard for wood-burning quality, performance, and economy. They include a wide variety of models with spacious, full brick openings, plus features homeowners will love!

The Bungalow features clean, full brick lined interior, tough, textured powder coat finish and solid steel log grate. Simply choose a model with smooth face or louvers, for air circulation. Models with full insulation are also available.

Bungalow models also feature an array of eye-catching extras, including black, brass or platinum bi-fold glass doors and more. What's more, we've added solid full-length nailing flanges and drywall stops.

The Bungalow offers excellent quality at an economical price!

Bungalow models install straight and secure every time thanks to full-length nailing flanges, and drywall stops. They also feature our hidden side screen pockets and the industry's finest textured refractory brick liner.
